01 Integrated Teaching Approach

JEE and NEET students are provided with a teaching methodology that is so unique and comprehensive that it produces excellent classroom discussions and insightful study material. The curriculum is specially designed to cover both competitive and board examinations. Each lecture is planned to ensure that the content delivered is standard, complete, and covered on time.

02 Smart Testing System

VSA Smart Testing System focuses on a complete systematic assessment of a student's preparation. Our faculties provide personal guidance to all students equally, regardless of their merit. It gives them a fair idea of their strengths and the areas they need to work on. Above that, we offer regular analysis through continuous exercises and topic-specific worksheets to supplement students education. It helps them in mastering the art of Time Management, an essential requirement for any competitive exam, by improving their question-solving speed through time-bound practice with accuracy.

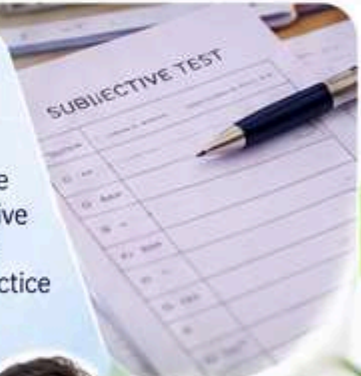

03 Disciplined and Focused Learning

VSA is a leader when it comes to coaching students for medical and engineering exams. We follow a proper work ethic and have a positive environment where individuals can learn and grow. By being a part of the ongoing, year-round curriculum, the students adapt well to the pattern of the paper and easily succeed in the examination.

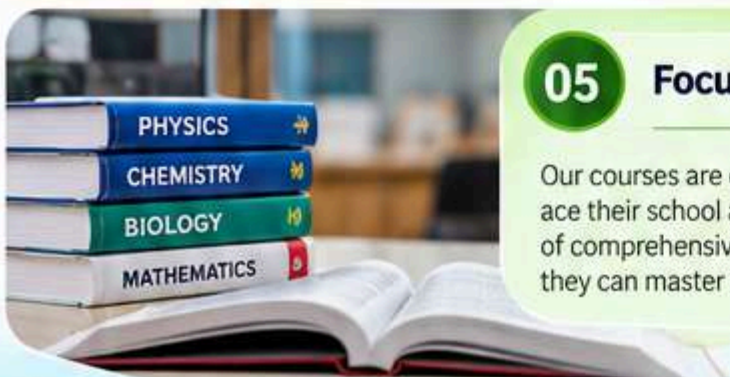

04 Regular Subjective Tests

To complement student's education, we provide a series of regular part and full-syllabus subjective tests on the latest exam pattern of competitive exams. Thereby giving them ample time for practice and self-evaluation.

05 Focus on School & Board Exams

Our courses are designed to help students concentrate and ace their school and board exams. Through the combination of comprehensive study material and smart testing system, they can master school subjects and achieve academic success.

Academic Excellence

Continuous Assessment

Personal Guidance

Holistic Development

FACILITIES

GUIDING • SUPPORTING • EMPOWERING • FOR A BRIGHTER TOMORROW

01

Hybrid Classroom Program

Study with our offline/hybrid classroom programs that provide **personal interaction and knowledge support**. Learn from the **top VSA facility** in a classroom setting to receive superior education from the best academic experts to score high.

03

Doubt Resolution

On-demand regular doubt sessions are available to students, providing them with **all-encompassing learning assistance** on their academic journey.

05

Latest Exam Pattern Test Series

To complement students' education, we provide a series of **regular part and full syllabus tests** on the latest exam pattern of the course exams. Therefore giving them ample time for practice and self evaluation.

02

Mentorship Sessions

A mentor would maintain an **accurate record of the student's performance**. They will share areas for improvement and guide how to enhance their performance. In the event that students or parents require assistance with academic class scheduling, performance, or anything else, the mentor will be the single point of contact.

04

Feedback Sessions

At VSA, we adopt a proactive and forward-thinking approach by giving our students an incredible opportunity to **evaluate their instructors!**

06

Parent-Teacher Meetings

Periodic sessions to inform parents about their ward's **academic performance** to evaluate and analyse their academic development. After assessing their strengths and weaknesses, students and parents mutually decide on the best progression plan.

COURSES DETAILS

For Classes **XI AND XII**

01 JEE (MAIN + ADVANCED)

For Classes XI AND XII

Enrol and learn from the institute that has cracked the code for acing pre-engineering entrance exams like JEE (Main) & JEE (Advanced). The meticulously planned courses are delivered by highly competent and top faculties who are experienced in preparing students for engineering entrance exams.

COURSE DETAILS

Mode of Teaching

Offline Classroom Programs

Eligibility

Students studying in SSC, CBSE, ICSE & other board affiliated schools

Duration

2 Years

Subjects

Physics, Chemistry, Mathematics

BUILD
A BRIGHTER
TOMORROW

02 PRE-MEDICAL (NEET-UG)

For Classes XI AND XII

Learn at the time-tested and goal-oriented Classroom NEET-UG hybrid classroom program. Students have a fantastic opportunity to begin preparing for the prestigious pre-medical examination and NEET-UG coaching while also covering the school syllabus.

TEST SERIES FEATURES

PRACTICE | ANALYSE | IMPROVE | SUCCEED

PRACTICE IN ACTUAL ENVIRONMENT

Students will get similar interface for grand mock exams (JEE, NEET, MHT-CET) and weekly tests to familiarize them with the computer based testing tools and the type of questions they are likely to face in actual entrance examinations.

RANKING ON CLASS LEVEL

Get rank on JEE (Main+Advanced), NEET and MHT-CET mock exams and comparative analysis with a topper that helps students to know their preparation and identify where they are lagging behind.

SIMILAR PATTERN ONLINE EXAM

JEE (Main+Advanced), NEET and MHT-CET aspirants can easily avoid their fear factor by giving exam in similar examination settings before appearing to the main exam.

TIME MANAGEMENT

Students will get a time management report that will help them not only in mastering the art of Time Management by pointing out their most and least time consuming areas, but also helps to improve the overall speed of answering questions in an exam-like environment.

CONFIDENCE BOOSTER

(IDENTIFY WEAK AREAS)

These weekly test papers provide a sound examination temperament which not only enhances the student's scoring ability and test-taking capability but also enhances confidence.

MODEL TEST PAPERS ENGLISH

Dynamically researched Question Bank was designed by the most experienced faculties of VIDYASARITA ACADEMY.
